## How Scheduling Works

Classes typically meet 2 hours/day in the morning or afternoon as follows:

**Morning Session:** Your class will be scheduled sometime between 9:00 AM and 1:00 PM.

**Afternoon Session:** Your class will be scheduled sometime between 1:00 PM and 5:00 PM.

Morning slots go fast, so please indicate as many options as possible. Please think carefully about your preferences to avoid changes and delays in processing your enrollment. We will do our best to honor your preferences, but you might end up with your second choice, especially as the first day of summer draws near.

## On Track Homework Help

# On Track

- ✓ Supplement with *On Track* supervised study time and take the "home" out of homework!
- ✓ Offered in small groups at lower tuition rates.
- ✓ Jumpstart your homework and enjoy the rest of your day.
- ✓ Finish faster, reduce tuition, and take a summer vacation!
- ✓ Enroll now or decide later.

## Enrollment and Scheduling Preferences

Student Name: \_\_\_\_\_ Parent Name: \_\_\_\_\_

### Scheduling preferences:

What is the earliest date you can start? \_\_\_\_\_

Please check all that apply:

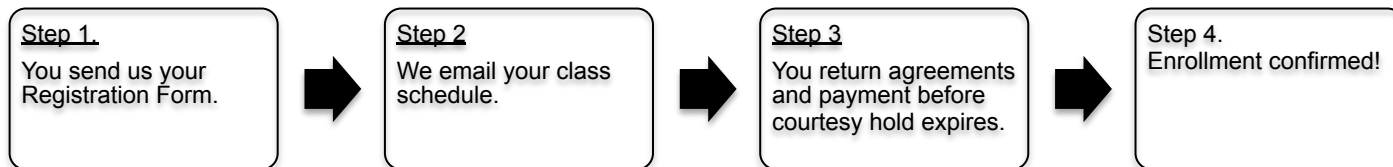

- I prefer **morning** but can come anytime
- I prefer **afternoon** but can come anytime
- No Preference
- Other: \_\_\_\_\_

Customized schedules available upon request.

### On Track:

- Yes**-please enroll me in *On Track*
- Not Sure**, I will decide later
- No**, not interested at this time

### Course List

#### UC-Approved College-Prep Courses

Lydian students are successfully enrolled in colleges throughout the country, from the most inclusive to the most competitive, from the CSUs to the Ivies.

In the tutorial style and individualized support of our college prep program, caring, compassionate teachers adapt to your learning style as you bolster fundamental skills, repeat a course, make up credits, or lighten your load in the fall with UC-approved courses in all subjects.

For academically gifted students, Lydian is the only one-to-one teaching program with these impressive statistics: **college-prep students averaged over 600/subtest on the SAT, with 20% of students earning 700 or more, and an average AP score of 4.5 on a 1-5 point scale.** The numbers prove that we go well beyond spoon-feeding and grades-for-sale. At Lydian your academically gifted student can accelerate with an in-depth education tuned to his or her passions and curiosities.

<b><u>MATH</u></b> Algebra 1 Geometry Algebra 2 PreCalculus Statistics	<b><u>ENGLISH</u></b> Genre in Literature (9 <sup>th</sup> grade English) Language and Composition 1 (10 <sup>th</sup> grade English) American Literature (11 <sup>th</sup> grade English) Literature and Composition (12 <sup>th</sup> grade English)	<b><u>WORLD LANGUAGE</u></b> (PLEASE SPECIFY LEVEL) Chinese levels 1-4 French levels 1-4 Latin levels 1-3 Spanish levels 1-4	<b><u>VISUAL AND PERFORMING ARTS</u></b> Guitar Hist. & Perf. 1 Intro to Digital Photography Music of the 20 <sup>th</sup> Century Music Theory

Please contact our office for AP pre-requisites.

#### Standard Courses

Standard courses offer an efficient option on the road to a high school diploma. These survey courses cover the same material, but in less depth than their college-prep counterparts. If your post-high school plans are to attend a community college or join the workforce, you can save time and tuition by enrolling in Lydian's Standard courses. Taught by our same highly qualified subject experts, you will learn plenty in your Standard courses.

Standard courses are aligned with California state standards, but they are not UC-approved. In most cases, Standard courses count towards high school graduation, especially for students in credit recovery. However, we strongly encourage you to check with your guidance counselor and get prior written approval for transferring Standard credits to your school.

<b><u>SOCIAL STUDIES</u></b> Government through Current Events Economics Survey US History Survey Western Civ Survey World History Survey	<b><u>ENGLISH</u></b> English 1 English II English III English IV	<b><u>MATH</u></b> Algebra 1, part 1 Algebra 1, part 2 Geometry Survey	<b><u>SCIENCE</u></b> Biology Survey Physics for Poets
